DETAILED ACTION

Allowable Subject Matter

1. Claims 1-19, 34-46, 51-60 and 66-69 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The closest reference the Examiner was able to locate was Sellari et al. US 2005/0017007. The lid of Sellari is incapable of pivoting to the open position to disengage the container because the hinge is taught to be removed before opening the lid. Furthermore, the hinge does not comprise first and second horizontal portions which are folded over each other. Examiner notes the term "folder over" shall be read in view of Applicant's figure 3 which shows horizontal portions (16a) and (16b) folded over each other in contact, defining over Sellari's hinge in figure 4 which does not comprise horizontal portions folded over each other.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
